YOU DO NOT NEED TO COMPLETE NEIGHBOR AWARENESS IF you are installing windows.

PROJECT(S) BEING SUBMITTED: Please check the appropriate box:

DESCRIPTION OF IMPROVEMENTS DESIRED: Please provide full details of type and extent of improvements, colors of materials to be used and location on the property. Attach additional sheets if necessary to ensure a complete description of the improvements.

NEIGHBOR AWARENESS:

The intent is to advise your neighbors who own property adjacent (definition: all homes with adjoining property lines to the lot in question), facing (definition: means the homes mostly directly across the street), or impacted by the improvement to your property line or a unit.

This is not an approval or denial but is simply verification that impacted neighbors are made aware of your application. Neighbor approval or disapproval of a particular improvement shall only be advisory it should not be binding in any way on the Architectural Committee's decision. The attached plans were made available to the following neighbors for review:

I UNDERSTAND AND AGREE:

1. The above and attached information is complete and accurate to the best of my knowledge. I understand no work shall commence until written approval has been received.
2. Improvement(s) is to be at no cost whatsoever to the Association. Any further maintenance, repairs or damage related to, or caused by this improvement shall be the responsibility of the owner, heirs or assigns.
3. Any deviation from the approved plans and specifications outlined in the application shall not commence without subsequent approval from the Architectural Control Committee. Failure to obtain such subsequent approval will nullify the approval of the Architectural Control Committee and said improvements shall be deemed to have been undertaken without the Committee's approval.
4. Final product may be inspected for conformity to application. Applicant agrees to allow the Architectural Committee or Board of Directors access for such inspection.
5. I understand that my proposed improvements may require a permit from the City/County Building Department or other government agencies and I will obtain all required permits before commencing any work.
6. I will assume the responsibility for any work under the above-proposed improvement that my contractor or I complete which may, in the future, adversely affect adjacent properties or common area.
7. I will assume responsibility for all future maintenance of this addition or improvement.
8. I agree to complete all improvements and maintain my lot in accordance with my approved plans and the CC&R's for my Association.
9. I understand neighborhood objections do not in themselves cause denial. However, the Architectural Committee will contact the neighbors to determine their objection and their appropriateness, if necessary.
